Offg. Inspector-General of Police in Mysore

To

C. S. Balasundaram Iyer Esquire, B.A.,

Secretary to the Government of His Highness
the Maharaja of Mysore, General Department.

Sir,

MS

With reference to Government Proceedings No. J.304
50/Police.255-12-10 dated the 5th February 1916, sanction-
ing a horse allowance of Rs.20/- and Rs.10/- respectively
to the Inspector and the Jamedar working in the Finger
Print Bureau, I have the honor to state that it is re-
presented by these officers that it is impossible for them
to maintain horses within the allowance sanctioned to them
and it is therefore prayed for by them that their horse
allowances may be converted into a local allowance, so
that they may be allowed to draw it whether they maintain
horses or not.

2. It is understood that in the Finger Print Bureau
at Madras, where the staff consists of ministerial offi-
cers, the manager is given a pay of Rs.100-5-150 with a
conveyance allowance of Rs.25/-, with no obligation to
maintain a horse, and that in Poona, the Inspector in
charge of the Bureau gets a local allowance of Rs.50/-,
besides house rent and conveyance allowance, and the Sub
Inspectors working there get a local allowance of Rs.30/-

each, besides house rent. Compared with these officers our officers attached to the Finger Print Bureau are poorly paid; and with the obligation to maintain horses they derive no benefit whatever from the horse allowances sanctioned to them. In these circumstances, and in consideration of their special training and the nature of their work, and the fact that their duties do not require the maintenance of horses, I beg to recommend that the horse allowances granted to them may be ordered to be converted into and treated as local allowance
